

An aerial photograph of a rural landscape. The foreground and middle ground are dominated by a patchwork of green and brown fields, separated by stone walls and narrow roads. Several small clusters of white buildings, likely farmhouses or small villages, are scattered across the landscape. In the background, a large body of water, possibly a lake or a wide river, stretches across the horizon. Beyond the water, there are rolling hills and mountains under a clear blue sky. The overall scene is a typical rural landscape with a mix of agriculture and natural beauty.

Tiree Community Land Ownership Options Appraisal

Roots Design Workshop
Tiree Community Land Ownership Steering Group
Tiree Community Development Trust
July 2015

This Options Appraisal report was grant funded by Highlands and Islands Enterprise and supported by Tiree Community Development Trust.
